You Were My Mother and My Friend

*You were my mother and my friend,
Which was unusual.
Somehow our characters still blend:
Your wisdom and my will.*

*I turned, and you were there for me;
I spoke, you understood.
I felt cared for, but also free;
You loved, and I was good.*

*I'm fortunate that I was born
To someone just like you;
I love you still, though you are gone,
You live in what I do.*

The family cannot begin to express how much the many, many, many . . . expressions of love and sympathy have meant to us in our time of immense sorrow. Your many kindnesses will always be remembered with sincerest gratitude.
